Education

Savitribai Phule Pune University

Bachelor of Business Administration in Computer Applications (BBA-CA)

Graduated: 2024

CGPA: 7.67/10

Professional Summary

Python and Django Backend Developer with hands-on experience building REST APIs, authentication systems, and full-stack web applications. Proficient in Python, Django, JavaScript, React.js, Node.js, Express.js, MySQL, MongoDB, SQLite, Git, GitHub, and Postman. Passionate about developing scalable backend solutions, writing clean code, and contributing to modern web applications.

Projects

WeatherSphere – Weather Application (Django)

- Developed a responsive weather application using Django and the OpenWeather API to deliver real-time weather information.
- Integrated city-based search and Geolocation API support for location-aware weather updates.
- Implemented secure API key management using environment variables and deployed the application on Render.

GlamWear – E-Commerce Website (Django)

- Built a full-stack e-commerce platform featuring secure user authentication, product management, shopping cart, and PayPal payment integration.
- Designed an admin dashboard for efficient inventory management and implemented a responsive user interface.

Smart Task Manager (MERN Stack)

- Developed a task management application using React, Node.js, Express.js, and MongoDB.
- Implemented JWT authentication, protected routes, and complete CRUD functionality for secure task management.

Blog Management System (Django)

- Built a Django-based blogging platform with authentication, post management, and complete CRUD operations.
- Implemented secure user authentication and an intuitive content management workflow.

Technical Skills

Programming Languages: Python, JavaScript (ES6), HTML5, CSS3

Frameworks & Libraries: Django, React.js, Node.js, Express.js, REST APIs, JWT Authentication, Bootstrap, Tailwind CSS

Databases: MySQL, MongoDB, SQLite

Tools: Git, GitHub, Postman, VS Code, Render

Core Concepts: Object-Oriented Programming, Authentication, CRUD Operations, RESTful API Development, Responsive Web Design

Certifications

- Full Stack Web Development – A2Z IT Hub
- Full Stack Java Development – Kiran Academy, Pune

Strengths

- Backend Development
- REST API Development
- Problem Solving
- Team Collaboration
- Quick Learner
- Communication Skills
